WELCOME TO BUFFALO NIAGARA

With fantastic opportunities for work and play – without high costs and hassles – Buffalo Niagara is your place for a great life.

In Buffalo Niagara, abundant green spaces are surrounded by sparkling waters, including two Great Lakes – Erie and Ontario – and the Niagara River, and one of the world's most popular natural wonders, Niagara Falls. To the east and south are rolling farms, great ski areas, countless inland lakes and rivers, miles of hiking and biking trails, many New York State parks and forests, and much more to enjoy.

Buffalo and its sister city, Niagara Falls, are the business and entertainment hubs of our region. Both cities are undergoing phenomenal transformations spurred by billions in public and private investment. Redevelopment and new construction abound, and businesses from restaurants to galleries to technology centers are opening at the fastest pace in more than 50 years.

And while the positive energy is tangible, the ability to enjoy living and working here remains eminently accessible: Buffalo Niagara still has one of the lowest costs of living and easiest commutes of any similarly sized metropolitan areas in the United States.

This guide will help you get to know Western New York – and while there are always new things to discover, it never takes long for it to feel like home.

Calls Williamsville home

“ I love our great restaurants, entertainment venues, the change of four seasons and being so close to the beautiful Finger Lakes, Ellicottville, Niagara Falls, and Toronto, ON. ”

With fantastic opportunities for work and play — without high costs and hassles — Buffalo Niagara is your place for a great life.

Downtown Buffalo features destination venues like **Canalside**, **HARBORCENTER**, and **RiverWorks** for year-round entertainment, from sailing and paddleboarding to ice skating and hockey. There's also phenomenal architecture, craft breweries and distilleries, fantastic restaurants, diverse food trucks, live music venues, Broadway shows, college centers, and professional sports arenas.

Popular neighborhoods like **Elmwood Village**, **Allentown**, and **North Buffalo's Hertel Avenue** are easy to explore on foot or by bike and offer cozy coffee shops, renowned museums, diners and bistros, farmers' markets, an internationally celebrated orchestra, intimate galleries, antique markets, and locally owned shops.

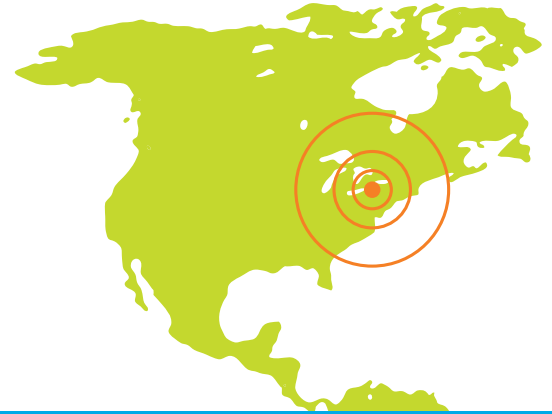

Buffalo's **Frederick Law Olmsted-designed park system** and community greenspaces offer swimming pools, soccer fields, splash pads, tennis, golf, and more.

The sparkling waters of the Niagara River, two Great Lakes — Erie and Ontario — and one of the world's natural wonders, **Niagara Falls**, along with its emerging downtown center and area wineries, surround the region to the west and north. To the east and south are rolling hills, family-owned dairy and produce farms, historic cider mills and maple-sugar shacks, ski resorts, and miles of hiking, biking and snowmobile trails. In between, welcoming suburbs offer nationally recognized school districts and an abundance of family-friendly amenities.

One Spectacular Region

When you explore Western New York, you'll soon discover how special it is and how much there is to do. This section is an overview of the eight counties that make up the region: Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, Orleans, and Wyoming. Geographically speaking, several of the world's largest bodies of fresh water create the region's western and northern borders: Lake Erie, the Niagara River, Niagara Falls, and Lake Ontario interconnect for a natural boundary that's spectacular to see and enjoy (the waterways are also the reason for our temperate climate). Everything to the east of the water is lush, green, and beautiful.

We've spotlighted the largest cities — Buffalo and Niagara Falls — and their respective counties — Erie and Niagara — followed by highlights of the other counties and the villages, towns, activities, and amenities that make up this spectacular region.

922,578 (2015 est.)

LAND AREA:

1,044 sq. mi.

LARGEST MUNICIPALITY:

Buffalo – Population: 275,832 (2015 est.)

The region's commercial and cultural center is the City of Buffalo, located in Erie County on the shores of Lake Erie and the Niagara River. Buffalo is the second-largest city in New York State (second, of course, to New York City). In addition to serving as the region's business hub, you'll find that Buffalo is a terrific place to live and play. There are a myriad of residential options as well as museums, theaters, schools, galleries, sports venues, restaurants, shops, and much more. All of our region's major league sports teams play in Erie County, as well as several minor league and collegiate teams.

ERIE BASIN MARINA

Buffalo Neighborhoods

INSIDE THE DOWNTOWN CORE

1 Canalside

Back in the 1800s, the Erie Canal was a thriving waterway connecting the Great Lakes region to New York City, and the canal's western terminus in Buffalo was a hub of commercial activity. Today, this same area — now known as Canalside — has been rediscovered (literally, as the terminus was buried for decades) and revitalized. Canalside has quickly become the heart of downtown as a waterfront destination with daily free and low-cost events from craft beer tastings to waterside yoga classes. In summer, you'll find people picnicking and playing games on the rolling lawns; kayaking, paddle-boarding, and sailing in the surrounding waterways; and enjoying evening concerts, fireworks, and more. And if you think things slow down in winter, think

again: the canal becomes an urban outdoor ice skating (and ice bike) rink filled with people day and night.

2 Central Business District

Just steps from Canalside is the Central Business District, which is home to several of Buffalo's largest private and public-sector employers. You'll find beautiful architecture throughout, such as Buffalo's Art Deco-era City Hall, the Ellicott Square Building, and the Guaranty Building. Many of the district's historic buildings are now residential and mixed-use properties including the Hotel at The Lafayette (designed by Louise Bethune, the nation's first female architect). It's also home to HARBORCENTER — a mixed-use sports and entertainment venue — and a myriad of restaurants, brew pubs, lodging, and nightlife.

3 Cobblestone District

Small in size but packed with activity, this enclave next to the Central Business District has recently undergone major redevelopment with loft apartments in renovated factories, restaurants, and exhibition spaces for visual and performing arts. Here's where you'll find First Niagara Center, a venue for top-name concerts and home of the National Hockey League's Buffalo Sabres and our professional lacrosse team, the Buffalo Bandits. Just across the Buffalo River is RiverWorks — a redeveloped industrial and grain-elevator compound that hosts amateur hockey, curling, roller derby, and more — including a concert venue, restaurant, and brewery.

4 Allentown

Eclectic and energetic, Allentown is known for its art, music, and food venues, as well as historic homes. One of Buffalo's best-loved events, the Allentown Art Festival is held each June and Allentown's gallery walk, known as "First Fridays," has grown into a popular monthly event. In addition, Allentown is home to the Theatre of Youth in the historic Allendale Theater, and the Theodore Roosevelt Inaugural Site.

5 Black Rock/Riverside

Black Rock is located along the Black Rock Canal and was an independent and bustling waterfront town before incorporation with Buffalo in 1853; Riverside is just past Black Rock where the canal meets the Niagara River. These neighborhoods include families who have called it home for generations and newcomers discovering this affordable area's proximity to waterfront bike paths and greenways, including Riverside Park, designed by renowned landscape architect Frederick Law Olmsted's firm. Niagara Street is experiencing a renaissance of its own with new mixed use building renovations, loft apartments, breweries, and restaurants.

6 Buffalo Niagara Medical Campus (BNMC)

The Buffalo Niagara Medical Campus is a dynamic place to live, work, and play. Home to world-class hospitals, research institutions, and education facilities, the Medical Campus has benefited from Buffalo's entrepreneurial spirit with more than 120 private sector companies located within its boundaries, as well as brand new housing options.

7 Delaware District

The Delaware District centers on Delaware Avenue, with beautiful mansions dating back to the late-nineteenth and early-twentieth centuries. At its core is Delaware Park, the centerpiece of landscape architect Frederick Law Olmsted's Buffalo Parks System (he also designed New York City's park system). This area encompasses the city's Museum District with the Burchfield Penney Art Center, the Albright-Knox Art Gallery, and the Buffalo History Museum. Other amenities such as Hoyt Lake in Delaware Park, historic and beautiful Forest Lawn Cemetery, and the Buffalo Zoo make this a popular area.

8 East Side/Hamlin Park/Humboldt

Hamlin Park, within Buffalo's East Side, is home to Canisius College, and this neighborhood and the surrounding blocks include many historically significant homes and houses of worship, another Olmsted-designed park (Martin Luther King, Jr. Park, known locally as MLK Park, with one of the most popular year-round wading and ice-skating pools), and the Buffalo Museum of Science. With significant investments in surrounding neighborhoods and its easy commute to downtown, the East Side is reemerging with affordable and exciting residential redevelopment and business opportunities.

9 Elmwood Village

Nearly 200 shopping, arts, dining, and leisure destinations fill the storefronts and make this area a residential and entertainment favorite. Highlighted as one of America's "most livable neighborhoods" by the American Planning Association, EV's beautiful housing, year-round farmers' market, "pocket parks" and parkways, and miles of bike lanes make it easy and fun to live and play here. Within or near this neighborhood — which also borders Delaware Park and the Museum District — are several colleges including Buffalo State College (State University of New York), Medaille College, and Canisius College.

10 Fruit Belt

One of Buffalo's most historic neighborhoods, the Fruit Belt takes its name from the orchards planted by its first settlers. This predominantly residential neighborhood is home to families and professionals, and many who have lived there for generations. Its proximity to the Medical Campus and the Central Business District make it a convenient option.

Allen Street was named after Lewis Falley Allen, who arrived in Buffalo in 1827 with his wife, Margaret Cleveland, the aunt of future Erie County Sheriff/Mayor of Buffalo/Governor of NY/ President of the U.S. Grover Cleveland. After selling parcels of land on Main Street, the Allen's herd of cows could no longer graze. The herd path used to move the cows became Allen Street in 1888.

11 Larkin District

This vibrant and growing neighborhood, known as Larkinville, is a favorite for people of all ages with restaurants, bars, concerts, and events. It centers on the historic and redeveloped Larkin Terminal Warehouse — now called Larkin@Exchange — and several other large-scale industrial buildings are under renovation as mixed-use and residential properties.

12 North Buffalo

With Hertel Avenue at its heart and Delaware Park and the Buffalo Zoo within an easy walk or bike ride, North Buffalo is a perennial favorite for its wonderful mix of Buffalo restaurant and bar mainstays, as well as a vibrant retail hub with an eclectic mix of antiques, clothing, furniture stores, and ethnic markets. This neighborhood is also home to the historic North Park Theater — a much-loved and gorgeously restored 1920s movie theater.

13 Parkside

On the eastern border of Delaware Park, this beautiful, tree-lined neighborhood was planned as a residential area by landscape architect Frederick Law Olmsted in 1883. Parkside also includes the Buffalo Zoo, the Darwin D. Martin House — one of Frank Lloyd Wright's best examples of Prairie-style architecture — and Nichols School, one of Buffalo's most prestigious private schools.

14 South Buffalo

While South Buffalo's Irish-American roots are proudly reflected in the street signs and pubs here, it's a diverse and bustling neighborhood with two Olmsted Parks: Cazenovia Park and South Park. South Buffalo is also home to Trocaire College, the renowned Buffalo and Erie County Botanical Gardens, and Tift Nature Preserve — a popular urban woodlands and wetlands preserve.

15 Waterfront Village

This largely residential waterfront enclave next to Canalside is also home to the Erie Basin Marina's bikeways, walkways and gardens, and the Naval Military Park.

16 The West Side

Buffalo's West Side neighborhood includes the Lower West Side and West Village Historic District areas, and it's one of the largest and most diverse neighborhoods in Buffalo, with a growing number of businesses specializing in ethnic foods, clothing, art, and more. It's also home to historically significant buildings including Kleinhans Music Hall (designed by Eliel and Eero Saarinen) and the emerging Richardson Olmsted Complex. Waterways form its western border, flanked by the Peace Bridge that connects Buffalo to Fort Erie, Ontario in Canada.

Erie County Cities & Towns

Amherst

The Town of Amherst includes East Amherst, Williamsville, Eggertsville, Getzville, and Snyder and is the largest suburb of Buffalo. Known as one of the safest towns in America, Amherst neighborhoods are dotted with “main street” shops and restaurants, farmers’ markets, parks, and highly rated school districts, as well as several colleges including Daemen College, Erie Community College, and the University at Buffalo North Campus.

Cheek-tah-wah-guh

(Say it quick)

Cheektowaga

Cheektowaga lies just to the east of the City of Buffalo and is one of the larger suburbs. Two of the region’s busiest destinations — the Buffalo Niagara International Airport and the Walden Galleria — are in Cheektowaga, as is Villa Maria College.

Clarence

Clarence has an award-winning school system and lots of green space with parks, bikeways, and farms (horseback riding is particularly popular here). It’s also home to a huge indoor/outdoor antiques and flea market called Antique World and to the Great Pumpkin Farm — hosting a month-long celebration of harvest season and Halloween.

Colden/Glenwood/Boston

Nestled in the hills south of Buffalo, these beautiful villages are reminiscent of small Vermont towns and form the heart of Erie County ski country. Buffalo Ski Club and Kissing Bridge resorts are located here.

East Aurora

East Aurora is filled with tree-lined streets, enchanting brick and clapboard houses, and a charming village center. It’s also home to Fisher-Price Toys and Elbert Hubbard’s Roycroft Campus, where artisans continue the tradition of crafting handmade home goods and useful objects from wood, metal, and glass in the Arts & Crafts style.

Grand Island

Situated in the Niagara River between Buffalo and Niagara Falls, Grand Island is one of the world’s largest freshwater islands. Its amenities include Beaver Island State Park — a waterfront park with golf, bike trails and beaches — as well as Buckhorn Island State Park, an 895-acre nature preserve on the island’s north end. It’s largely residential and recreational, although there are some significant corporate headquarters here, too.

Hamburg

Hamburg is located on Lake Erie south of Buffalo and has a bustling village center, Hilbert College and Woodlawn Beach State Park — one of Western New York’s most popular beaches. In Hamburg, you’ll also find the Penn Dixie site, where curious diggers can find Devonian-era fossils and other archaeological wonders in its shale outcroppings.

Kenmore and Tonawanda

Kenmore is a first-ring suburb of Buffalo and a village in the Town of Tonawanda. It's home to a vibrant village center, large parks and libraries, and other amenities that give it a great mix of urban and suburban benefits. Tonawanda, with its strong school system and safe neighborhoods, developed around Kenmore and its more recent history is reflected in its post-World War II housing, including some lovely mid-century gems.

Lackawanna

The City of Lackawanna lies south of downtown Buffalo, just over the Skyway. Once home to bustling steel mills, it's now home to the country's first urban wind-turbine farm. Here you'll also find the Small Boat Harbor and Gallagher Beach — a haven for windsurfers and kayakers — as well as urban beaches, parks, marinas, and biking and hiking trails. In winter, it

becomes the area's most popular ice-fishing spot, with hundreds of colorful fishermen's tents dotting the harbor.

Lancaster

Lancaster's mix of village life, suburban amenities, and pastoral charm comfortably co-mingle. Like many of our suburbs, Lancaster has been designated as one of the safest communities in the country and while one of the eastern-most suburbs in Erie County, it's still an easy commute to Buffalo.

Orchard Park

Originally settled by the Quakers, today's Orchard Park residents enjoy great schools, beautiful parks, and lively events all year long. In addition, it's here that you'll find one of the region's most popular venues — Ralph Wilson Stadium, home of the National Football League's Buffalo Bills.

NT — North Tonawanda, a suburb between Buffalo and Niagara Falls.

OP — Orchard Park, a suburb located southeast of Buffalo.

West Seneca

West Seneca, which is actually east of Buffalo, is a large, post-World War II suburban community with a strong school system, safe neighborhoods, and quick proximity to just about anywhere in Western New York.

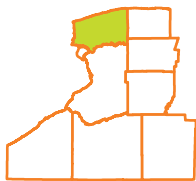

Niagara County

POPULATION:

213,194 (2015 est.)

LAND AREA:

523 sq. mi.

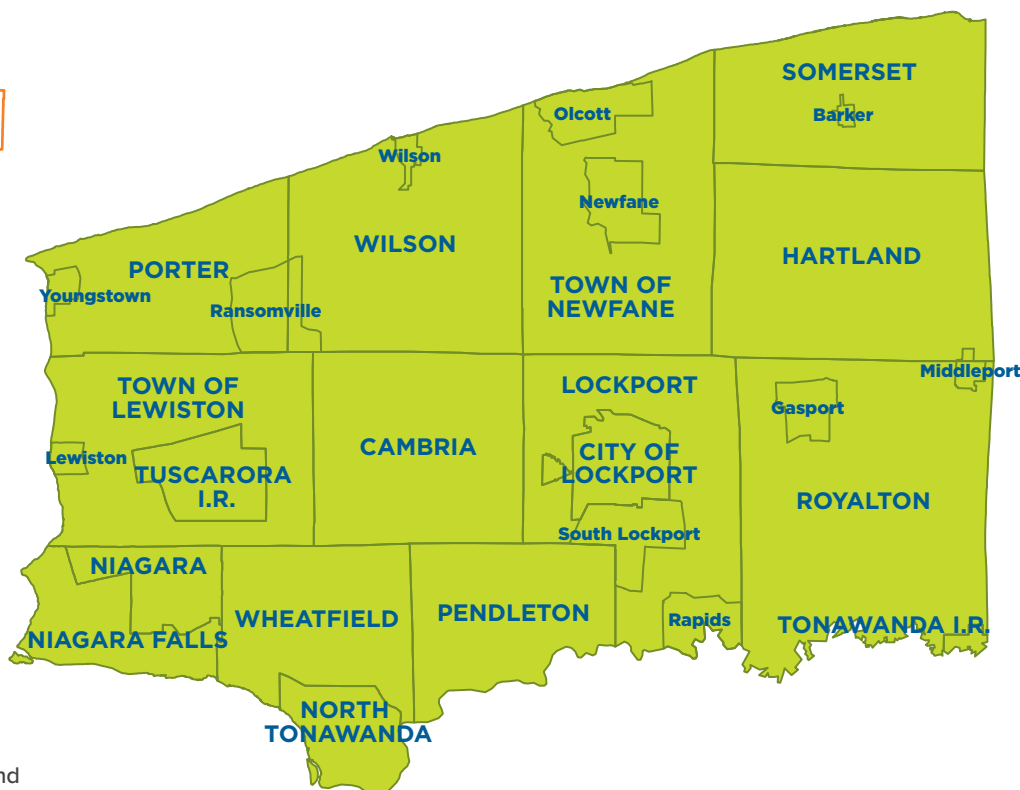

LARGEST MUNICIPALITY:

Niagara Falls – Population: 51,641

(2015 est.)

Niagara County is home to one of the world's most popular tourist destinations, Niagara Falls, located in the City of Niagara Falls. Love great food and wine? You'll also find thriving farms, vineyards, orchards, cider mills, and wineries (including producers of world-renowned ice wine) along the Niagara Wine Trail. Beautiful towns and villages, miles of biking and hiking trails, outstanding schools, and dozens of arts and cultural destinations are here, too. Historic cities like Lockport grew around the Erie Canal, and this waterway still runs through Lockport's downtown center. Lewiston is a charming and historic village on the Niagara Escarpment, where the Niagara River empties into Lake Ontario. In addition, dozens of other historic sites, public and private higher-education institutions, and one of the longest-running hydroelectric power plants in the country are also here in Niagara County.

City of Niagara Falls Neighborhoods

The City of Niagara Falls is in the midst of exciting redevelopment and reinvestment. With its breathtaking beauty, Niagara Falls attracts millions of visitors every year, and the American side boasts some of the most popular attractions for those who want to experience the thrill of the Falls up close. The Cave of the Winds, Maid of the Mist boat tour, Goat Island, and numerous bikeways provide ample opportunities to enjoy the natural beauty here. New York State is investing millions of dollars to upgrade Niagara Falls State Park, too.

The Niagara Falls Culinary Institute is part of Niagara County Community College (NCCC, part of the State University of New York system) and it's at the heart of the city's educational and culinary boom. In addition to providing excellent collegiate-level education, NCCC and Niagara University (NU) are also essential partners in arts, culture, and athletics in Niagara Falls.

Pine Avenue and Main Street are the main business districts with independent shops and restaurants — many that have existed for generations. Small-and-growing areas around Third Street and Buffalo Avenue are also attracting entrepreneurs and restaurateurs. There are many lovely and historic homes around these enclaves, and most are within walking distance to the Niagara Gorge.

In fact, Niagara Falls has several lovely neighborhoods that benefit from the area's natural beauty. On the escarpment, the Deveau neighborhood has some of the city's grandest older homes. Chilton Avenue – Orchard Parkway is a National Historic District just steps to the breathtaking riverfront gorge. Other waterfront enclaves like Cayuga Island — a small residential island on the edge of the Niagara River — also offer beautiful views and more affordable homes than just about any waterfront area of similar quality.

“Thank you for taking the time to look at Niagara Falls. As the geographic center of the mega region stretching from Greater Toronto to New York’s Finger Lakes, our city has it all. Proximity to air, rail, and highway; a welcoming business climate; a world class parks system, good schools and great neighborhoods — everything you would look for whether it is for your business or family is right here in Niagara Falls.

I look forward to meeting you soon!”

DOWNTOWN NIAGARA FALLS

1 Downtown

One of the most popular tourist areas in the world, downtown Niagara Falls is home not only to the iconic series of waterfalls, but also Niagara Falls State Park. Designed by the incomparable landscape artist Frederick Law Olmstead, Niagara Falls State Park — America's Oldest State Park — is packed with some of the most popular attractions for those who want to experience a full Falls experience: The Cave of the Winds (a thrilling walk to the base of the Falls), Maid of the Mist boat tour, Prospect Point observation tower, and Goat Island to name a few. After enjoying the majestic waters, visitors can enjoy entertainment, shopping, and dining both inside and outside of the park's boundaries, including Seneca Niagara Resort and Casino.

2 Deveaux

Tucked in the northwest corner of the city, the Deveaux neighborhood is a quaint and picturesque area that is home to some of the city's oldest and grandest homes. The area is located on the escarpment immediately adjacent to Niagara University. The neighborhood is named after Samuel Deveaux, a large landholder, local judge, and businessman who was heavily involved in the construction of the Whirlpool Suspension Bridge in 1847.

3 Hyde Park

Located along Hyde Park Boulevard in the city, Hyde Park refers to both the municipal park and the surrounding residential areas to the east and west. Dubbed the "Jewel of Niagara Falls," the park provides recreational opportunities in golf, tennis, swimming, ice hockey, bocce, lawn bowling and, perhaps most prominently, baseball. Sal Maglie Stadium, named after the major league pitcher in the '40s and '50s nicknamed "The Barber," is located within the park boundaries.

4 LaSalle

Located along the Niagara River in the southeast portion of the city, LaSalle is a popular residential area with a village feel. In fact, the area was once the Village of LaSalle before it became part of the city of Niagara Falls in 1927. The area is named after Robert de La Salle, a French explorer who competed expeditions on the Great Lakes, Mississippi River and Gulf of Mexico. La Salle's famed ship, Le Griffon, was built in the area in 1679.

5 Little Italy

Historically home to a large population of Italian-Americans, the neighborhood of Little Italy is centrally located along Pine Avenue between Hyde Park Boulevard and Portage Road. One of the major commercial areas in the city, Little Italy is home to plenty of retailers and boasts some of the best eateries in Western New York including the original DiCamillo Bakery, Michael's Restaurant, and the Como Restaurant.

The birth of Niagara Falls can be traced back more than 12,000 years to the end of the last glacial period.

Four of the five Great Lakes

drain into the Niagara River, (Superior, Michigan, Huron, and Erie) before emptying into Lake Ontario.

During periods of peak flow in the summer and fall, more than

700,000 gallons

of water per second pour over Niagara Falls.

Niagara County Cities & Towns

Lewiston

This gem on the Niagara Gorge, above the Niagara River at the mouth of Lake Ontario, is known for its breathtaking beauty, charming village center, historic homes, and proximity to Niagara Falls (just minutes to the south) and Canada (the Lewiston-Queenston Bridge is one of several international crossings in Buffalo Niagara). It's also a favorite spot for popular venues and events including Artpark, the Lewiston Peach Festival, the Lewiston Jazz Festival, and the Christmas Walk and Home Tour.

Lockport

Lockport (both the city and town) grew along the Erie Canal and its historic downtown still reflects its eighteenth- and early nineteenth-century roots. Lockport's significant arts scene — with several galleries, museums and shops, as well as the multi-cultural Kenan Center — highlights contemporary and historically significant art. It's also the county seat with the county government and court system. As with the rest of Niagara County, Lockport is being rediscovered as a great place to live and play.

Herschell Carrousel Factory Museum

This historic carrousel factory located in North Tonawanda, was constructed in 1915 and is listed on the National Register of Historic Places.

North Tonawanda

North Tonawanda is a suburb bordered by the Erie Canal and the Niagara River. As the region's waterways are revitalized for recreational use, "NT" (as locals refer to it) is drawing people from all around the region for its easy proximity to the water (making it an affordable and accessible haven for boaters).

Wilson and Porter

These two Niagara County towns, about 15 minutes apart, are an easy commute from Niagara Falls, Lockport, North Tonawanda, and Buffalo — and they provide some of the loveliest waterfront and sunset views, outstanding water sports (including sailing and power boating), and one of the best bass, trout, and salmon fishing spots in the state. Popular for both year-round residents, as well as summer dwellers, among the other amenities you'll find here are Wilson Harbor with its restaurants, shops and marinas, historic Old Fort Niagara from the War of 1812, and Youngstown (on clear days Toronto, Canada, is visible across the Lake Ontario).

Allegany, Chautauqua & Cattaraugus

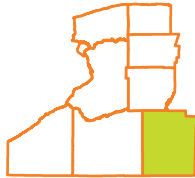

THE SOUTHERN TIER AND ENCHANTED MOUNTAINS

The Southern Tier region is composed of 14 counties, three of which are located in Buffalo Niagara and border Pennsylvania. Like much of our region, there are strong ties to the land and water through agriculture and recreation. Excellent higher education facilities also support the region's growing green-energy development.

Allegany County

POPULATION:
47,484 (2015 est.)

LAND AREA:
1,030 sq. mi.

LARGEST MUNICIPALITY:
Wellsville – Population: 7,065 (2015 est.)

Allegany County is home to Alfred University, Alfred State College, and Houghton College's main campus, providing exciting cultural venues and educational opportunities for residents and visitors of all ages and interests. With its hilly terrain and abundant farmland, it's a perennially popular destination for cross-country skiing, hiking, mountain-biking, and golfing, and the dozens of freshwater lakes, rivers, and streams that meander here make it a haven for boating and fishing.

Cattaraugus County

POPULATION:
78,427 (2015 est.)

LAND AREA:
1,130 sq. mi.

LARGEST MUNICIPALITY:
Olean – Population: 14,168 (2015 est.)

Cattaraugus County is known as the "Enchanted Mountains" area and it's the heart of the Southern Tier's ski country. You'll find year-round fun with golf and skiing at Holiday Valley Resort in Ellicottville, dubbed "the Aspen of the East." Nearby HoliMont is the largest private ski area in the country, with over 50 miles of trails. In addition, Allegany State Park's 65,000 acres of forests, streams, and trails make it one of the largest in the New York State Park System. You'll also find St. Bonaventure University in nearby Olean. www.enchantedmountains.com

Chautauqua County

POPULATION:

131,824 (2015 est.)

LAND AREA:

1,062 sq. mi.

LARGEST MUNICIPALITY:

Jamestown – Population: 30,642

(2015 est.)

Chautauqua County, in southwest Buffalo Niagara, is a perennial favorite of summer visitors to Chautauqua Lake — one of dozens of inland lakes in the Western New York region. The world-renowned Chautauqua Institution — a recreation, education, arts, and philosophy campus on Lake Chautauqua established in 1874 — hosts more than 2,000 events each summer. Distinguished lecturers and teachers include past U.S. presidents and internationally renowned artists and writers.

In summer, visitors also enjoy miles of beaches along Lake Erie, as well as visits to historic Lily Dale — home of the country's largest spiritualist community along Upper Cassadaga Lake. Another growing attraction is the Lucille Ball Desi Arnaz Museum & Center for Comedy in Jamestown — Lucille Ball's hometown. This museum is a destination for top-name talent like Jerry Seinfeld and Jay Leno.

State University of New York schools Fredonia State College and Jamestown Community College are here in Chautauqua County, providing key synergies for the county's significant investments in environmentally sustainable business development and revitalization in the City of Dunkirk and throughout the county. www.tourchautauqua.com

ROLLING HILLS AND RIVERS

To the east and south of Erie and Niagara Counties are gorgeous rolling hills with family-owned dairy and produce farms, wineries, historic cider mills and maple-sugar shacks, ski resorts, and hundreds of miles of hiking, biking, and snowmobile trails in Genesee, Orleans and Wyoming counties.

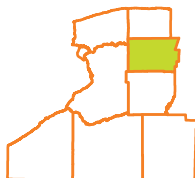

Genesee County

POPULATION:

59,006 (2015 est.)

LAND AREA:

494 sq. mi.

LARGEST MUNICIPALITY:

Batavia – Population: 15,451 (2015 est.)

Centrally located between Buffalo Niagara and Rochester, Genesee County's largest city, Batavia, is undergoing significant revitalization with a focus on dairy and other sustainable agriculture, as well as green energy technologies. The area's natural beauty is preserved through thriving family-owned farms and agricultural cooperatives, and Genesee Community College supports lifelong learning here. www.visitgeneseeny.com

Orleans County

POPULATION:
41,810 (2015 est.)

LAND AREA:
391 sq. mi.

LARGEST MUNICIPALITY:
Albion – Population: 8,406 (2015 est.)

Boating, fishing, hiking, biking, cross-country skiing, and more await in lovely Orleans County, which offers waterways like Lake Ontario, Oak Orchard Marina, and the Erie Canal. With abundant freshwater and sunshine, agriculture is the primary industry and much of the county is dotted with corn, maple, apple, berry, and other produce farms. The charming villages of Albion and Medina offer cafes, galleries, and antique shops.

Wyoming County

POPULATION:
41,074 (2015 est.)

LAND AREA:
593 sq. mi.

LARGEST MUNICIPALITY:
Warsaw – Population: 4,922 (2015 est.)

Wyoming County is a year-round destination for outdoor enthusiasts with miles of trails and rivers, as well as Letchworth State Park — the “Grand Canyon of the East.” Agriculture is the county’s primary industry and it’s a leader in dairy and maple production. The region’s abundant natural resources also support green-energy technologies, as well as advanced manufacturing and precision agriculture.

“ The pulse of the city beats stronger each day with non-stop economic development. Living in the heart of the city, we have **global cuisine, theatre, markets, and shopping, steps from our home.** ”

Whether you're buying or renting, Buffalo Niagara's housing costs are lower — and availability is more plentiful — than in many comparable metropolitan areas.

Want the energy of downtown Buffalo at your doorstep? Check out loft-style apartments in converted factories or open-concept waterfront condominiums. You'll also find clapboard and brick cottages, grand Victorians, ornate mansions, and “doubles” and “triples” — houses with separate apartments on each floor.

Want to walk out your door and stroll through a charming, quaint village? The suburbs offer Arts & Crafts bungalows in East Aurora; historic stone homes near the Niagara Gorge in Lewiston; modest mid-century ranches along the shady streets of Tonawanda; and spacious newer builds in Amherst, Grand Island, and Orchard Park.

Want acres of land and an easy commute? You'll find rolling pastures to the east of Buffalo and Niagara Falls, and the Enchanted Mountains to the south.

If you're looking to build, our experienced and creative home builders offer design skills to meet your budget and preferences.

Does your relocation include senior family members? Buffalo Niagara has numerous housing options available, from adult apartment complexes offering independent living to full-care facilities, as well as an excellent health care system. You'll also find many discounts available to events, cultural and educational venues.

Home, Sweet Home

In addition to finding a neighborhood that you love, Buffalo Niagara offers more plentiful and more affordable housing options than many similarly sized metropolitan regions. Within our diverse and dynamic neighborhoods, you'll find styles to suit every taste and budget — including grand Victorians, charming bungalows, light-filled contemporaries, traditional colonials, and simple farmhouses.

PURCHASING A HOME

At about \$135,000, median prices for existing homes in Buffalo Niagara are substantially lower than the national average and they're among the most affordable in the country.

If you're looking to build, Buffalo Niagara's experienced and creative homebuilders can design the home of your dreams. Newly built homes average \$335,000 here, with more amenities than similarly priced new homes elsewhere.

RENTING

Looking to rent for awhile? You'll find something you'll love in Buffalo Niagara.

Buffalo and Niagara Falls neighborhoods offer lofts in renovated factories and warehouses, sleek condominiums with views of Lake Erie and the Niagara River, and apartments with turn-of-the-century details and elegance in historic buildings — all within walking distance to theaters, shops, restaurants, and the subway and bus system. While the most abundant rental housing is in the cities, you can find apartments in the suburbs too. Rents vary widely, from around \$500 to more than \$2,500 a month, depending on size and type of apartment or home you choose, available amenities, and location.

MOVING CHECKLIST

TIPS

FIRST STEPS

- ☐ File change of address
- ☐ Organize school records
- ☐ Forward medical records

FIND MOVERS

- ☐ Hire movers or reserve the truck
- ☐ If moving yourself, start recruiting friends, family, neighbors, and co-workers well in advance. Offer free breakfast, lunch, snacks, and drinks

GET MOVING SUPPLIES

- ☐ Markers, moving boxes, newsprint, packing peanuts or other cushioning material, packing tape, scissors or utility knife, and garbage bags

START PACKING

- ☐ Separate cherished items from the non-essential
- ☐ Donate items to charity, give them to friends, prepare them for a yard sale
- ☐ Drain fuel from your power mower and other machinery; discard partly used cans of oil, paint, thinner, bleach, or any other substances that may be flammable or combustible, or those stored in containers that may leak

ARRANGE FOR UTILITY TRANSFERS

- ☐ Notify current and future utility providers of your move date
- ☐ Cable/satellite television, cell phone service, electricity, gas, internet/broadband, local phone service, long distance phone service, propane, recycling pick-up, sewer, security system, trash pick-up, and/or water

MAKE MOVING DAY PREPARATIONS

- ☐ Make arrangements for child and/or pet sitting
- ☐ Refill prescriptions
- ☐ Pack your suitcases
- ☐ Unplug electronic appliances 24 hours in advance of a move, except plasma televisions, so that they will be at room temperature on moving day (this includes home computers, stereos, and audio/video equipment)

GET OLD AND NEW PLACES CLEANED

- ☐ Mop, pail, ammonia, wash cloths, sponges, paper towels, vacuum cleaner, broom, and dustpan

MOVING DAY PLAN

- ☐ Start early
- ☐ Take all garbage out of the house
- ☐ Make sure drivers have your cell phone number and you have theirs, along with their names
- ☐ Perform final checks before leaving current home
- ☐ Are the air conditioning, fans, and heat turned off?
- ☐ Is the water shut off, including to hoses?
- ☐ Are the light switches off?
- ☐ Are the keys and garage door openers for current home turned in or left on the kitchen counter?
- ☐ Anything left in refrigerator, freezer, stove, drawer under stove, in closets, bathroom, garage, attic, crawlspace, or under porch?

*Business First (2015) has rated the academic performances of 97 public school districts in Western New York, based on four years of test data from the New York State Education Department. For the purpose of this guide, this table only displays those districts that fall within Erie & Niagara counties. This is why the numbers are not consecutive, skipping those districts that fall outside this two-county region.

Buffalo Public Schools

- The Buffalo Public Schools system — the largest in the region — serves about 34,000 students through its public, charter, and specialty schools, with a broadly diverse student body that's representative of families from 45 countries who now call Buffalo Niagara home.
- The Buffalo Public School District includes alternative schools such as Bennett Park Montessori, Emerson High School (culinary arts and hospitality industry programs), Buffalo Academy of Visual and Performing Arts, and City Honors School, which is consistently ranked among the top schools in the country by sources such as Newsweek and U.S. News & World Report.

Enrollment Requirements

Families must provide the following documents to register new or returning students in Buffalo public schools:

1. Two proofs of family residency:
 - NYS driver's / non-driver's license
 - Utility bill
 - Pay stub
 - Notice of Decision Statement from the Erie County Department of Social Services
2. Certified birth certificate which includes parent(s) name or I-94 card (including Immigration Family Page)
3. Up-to-date immunization record
4. Latest report card (grades 1-8), official transcript (grades 9-12), and special education documents, if applicable
5. Parent / legal guardian photo identification
6. Legal guardianship or custody papers (if the child does not reside with the biological parent)
7. Proof of physical examination within the last year (due to school within 30 days)

SAY YES BUFFALO

With a mission of increasing high school graduation and post-secondary education rates for children in the City of Buffalo's public and charter schools, Buffalo is one of few cities in the country to offer a remarkable program — Say Yes to Education — to its graduates.

Say Yes Buffalo offers Buffalo public and charter school graduates tuition and grants to attend college and post-secondary programs at more than 150 colleges and universities, including all colleges in the State University of New York (SUNY) and City University of New York (CUNY) systems, top-ranked Ivy League schools like Harvard University, Cornell University, and Yale University; and top technological schools like Rochester Institute of Technology and Rensselaer Polytechnic Institute.

Say Yes Buffalo and its partners also provide other support to students K-12 to help them achieve high school graduation and attain Say Yes Buffalo scholarships and grants, including physical and mental health services, legal services, mentors, and internships.

Say Yes Buffalo is a local partnership that brings together the Buffalo Public School District, the District Parent Coordinating Council, the Buffalo Teachers Federation, the Buffalo Association of Administrators and Supervisors, the City of Buffalo, Erie County, higher education, and Say Yes to Education, Inc., with a diverse group of Buffalo area corporate, non-profit, and philanthropic organizations.

CHARTER SCHOOLS

Within the Buffalo Niagara region, several charter schools serve students at all grade levels. Each of these schools offers a particular academic, pre-professional, or character-building focus in addition to the standard school curriculum. Charter schools are open to Buffalo Public Schools students. Admission may be dependent on geographic location, lottery, or both.

Understanding NYS Educational Assessments

The Office of State Assessment (OSA) is responsible for the coordination, development, and implementation of the Grade 3-8 tests, Regents Examinations, Regents Competency Tests, Second Language Proficiency Examinations, Alternate Assessments, and English Language Proficiency assessments that comprise the New York State Testing Program (NYSTP). These examinations are administered to students in Kindergarten through Grade 12 enrolled in public, nonpublic, and charter schools throughout the state.

The OSA develops and administers tests that are aligned with the New York State Learning Standards and Core Curriculum, and are consistent with state and federal mandates.

TESTS GIVEN:

ELEMENTARY AND INTERMEDIATE LEVEL STUDENTS

- Grades 3-8 English Language Arts Test
- Grades 3-8 Mathematics Tests
- Grades 4 and 8 Elementary- and Intermediate-Level Science Tests

HIGH SCHOOL STUDENTS

- Regents Examinations
 - *English Language Arts*
 - *Mathematics*
 - *Science*
 - *Social Studies*
 - *Foreign Languages*
- Regents Competency Tests (RCTs)

ENGLISH LANGUAGE LEARNERS

- English as a Second Language Test (NYSESLAT)
- Language Assessment Battery - Revised (LAB-R)

STUDENTS WITH SEVERE COGNITIVE DISABILITIES

- New York State Alternate Assessment (NYSAA)

PRIVATE SCHOOLS

Private school options around Western New York are plentiful and many serve particular needs or interests. These include Aurora Waldorf in East Aurora, Gow School for children with learning disabilities, New York State School for the Blind in Batavia, and St. Mary's School for the Deaf — a renowned campus serving children and young adults for more than a century.

The City of Buffalo is also home to several diverse private and parochial options, including the acclaimed Nichols School, Nardin Academy, Park School, Canisius High School, and Buffalo Seminary.

Catholic Schools, Diocese of Buffalo

When it comes to education, we know parents have many choices. Families of all faiths who have chosen the Catholic schools of the Diocese of Buffalo have discovered outstanding education, leadership and spiritual guidance for their children — a tradition since 1847.

More than 60 Catholic elementary, middle and high schools are located in Erie and Niagara County. A complete list can be accessed at: www.wnycatholicschools.org

Child Care & After School

Excellent child-care programs — offered through private organizations, Boys & Girls Clubs, YMCAs, Jewish Community Centers, and more — include educational enrichment, sports clubs, year-long activities, and summer camps to keep kids happy and engaged.

Child Care Resource Network

The Child Care Resource Network is a not-for-profit agency that works with New York State, Erie County, the City of Buffalo, federal agencies, the business community, and private foundations to improve the quality, accessibility, and affordability of child care throughout the region. The agency brings together parents, child care providers, community members, businesses, and the government to develop and support accessible and affordable quality early care and education for families and children in Buffalo and Erie County.

www.wnychildren.org

Boys & Girls Clubs of America

Buffalo and Western New York have strong Boys & Girls Clubs affiliates that serve thousands of children every day through after-school and weekend programs focusing on educational enrichment, personal development, health and wellness, and sports and play.

www.bgcbuffalo.org

YMCA Buffalo Niagara

Nationally, the YMCA is the largest provider of child care in the country. Locally, each branch of YMCA Buffalo Niagara provides school age child care year round, serving nearly 2,000 children at over 35 sites.

Summer Camps

Looking for a summer camp for your child? From short-term sports, arts, educational enrichment, and personal development day camps to traditional longer-term overnight camps, there are dozens of programs offered throughout the summer for kids of all ages, interests, and abilities.

TIPS for Choosing Childcare

Once you've narrowed down a list of providers, get details about their license to provide care. Each child care facility's regulatory history of inspections and reports are available online.

Visit the facilities. Go when children are there so you can see how the care giver treats children, what kinds of activities are available, and how problems are handled. Once you place your child in care, stay involved, and keep asking questions.

Look carefully at facilities that have a pool or are near lakes, creeks, and other bodies of water. The caregiver can explain how they ensure the safety of children in and around these bodies of water.

Discuss any concerns with the caregiver. Respect the caregiver's time. Their main responsibility is working with the children. If you need more time to talk about your child, set up a conference.

Higher Education

More Western New Yorkers earn undergraduate and advanced degrees than ever before — and they're building their futures here, too. In any year, more than 110,000 students enroll in nearly two dozen colleges and universities, studying everything from biomedical engineering and business, to green technologies development, urban planning, and media arts.

The State University of New York (SUNY) is the largest comprehensive university system in the U.S., consisting of 64 institutions, including research universities, academic medical centers, liberal arts colleges, community colleges, colleges of technology, and an online learning network. SUNY educates approximately 463,000 students in more than 7,500 degree and certificate programs, and nearly two million in workforce and professional development programs.

Born in Brooklyn, lives in North Buffalo

“ I love Buffalo for its art!
Art influenced my life. Art gave me cherished memories
since childhood, friendships and mentors that will last
a life time. As a police officer, I’ve seen bad, but I’ve
witnessed Buffalo’s **amazingly diverse**
citizenry who serve our community just by being
good Buffalonians. ”

**Relocating is exciting — when it’s not stressful and busy.
Here are many of the resources you need to settle in
quickly so you can move on to the fun things.**

TIPS for Settling In

- Write down three or four goals to achieve in your new city.
- Continue all your special family celebrations and traditions.
- Share some of your family’s recipes and cultural aspects with new acquaintances and neighbors.
- Give everyone in the family manageable moving chores (taking care of practical matters will take the edge off of homesickness).
- Keep a log of new experiences and accomplishments. Join an athletic clubs or special interest group.
- Get involved in community and religious organizations, especially those that sponsor activities, volunteer efforts, and programs for newcomers.
- Learn about the local government, issues, and policies.
- Take one day at a time.

Getting Acquainted

NEW YORK STATE'S DEPARTMENT OF MOTOR VEHICLES (DMV)

New York State's Department of Motor Vehicles (DMV) requires that new residents apply for a driver's license and register vehicles within 30 days of relocation. For information, including what you'll need and fees, visit www.dmv.ny.gov. This website also has information for non-U.S. citizens to determine whether a state license is needed. There are numerous NYSDMV offices throughout the region and appointments are available to ensure a quick and easy visit.

PUBLIC SAFETY

Anywhere in Western New York, dial 911 to reach emergency police, fire, and ambulance/medical assistance. The City of Buffalo has its own police department, fire department and other emergency services, as do some other cities and suburbs. In many cases, the New York State Police (State Troopers) assist with public safety. Assistance is available through:

PET REQUIREMENTS

All dogs over four months old must be registered with a valid license that proves current rabies vaccination. Contact town clerks or city hall for current information. As pet licensing requirements vary by municipality, it's recommended that pet owners contact your local town clerk or city hall to find out the most current information to ensure that you and your pet are in compliance.

VOTER REGISTRATION

Voter registration is handled through county boards of elections. You must be at least 18 years old, a U.S. citizen, and have been registered at your new address for at least 25 days prior to election (please visit the website, www.elections.ny.gov for more information). You may be able to register through the Department of Motor Vehicles when you update your driver's license and registration in New York State.

UTILITIES

If you're buying a home, you'll likely need electric, gas, and water. If you're renting an apartment, ask your landlord which utilities are included and what you're responsible for. And don't forget phone and internet service.

LIBRARIES

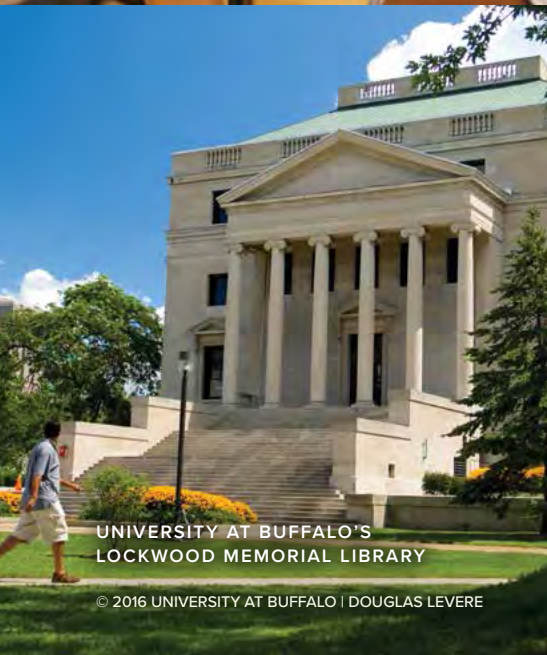

You'll find a library in nearly every town center in WNY. The largest system, the Buffalo & Erie County Public Library system (BECPL), includes the Central Library in downtown Buffalo and more than 35 branch libraries throughout Erie County. There's much more than books, magazines, and electronic media at our libraries — they're community centers for education, entertainment, and public forums. There's no cost to get a library card (identification is required to obtain one, so bring valid ID with you) and one card is good at all libraries in the BECPL system.

Other Western New York counties also have library systems (in some cases, they may share resources, as with the Chautauqua-Cattaraugus Library System). In addition, nearly all of our college and university libraries are open for your use as research resources (lending privileges may be limited, however, so please ask).

Once lived in Georgia, now calls West Seneca home
Shown here at Chestnut Ridge Park in Orchard Park

“ It was wonderful to move away and experience another part of the country, its culture and various weather patterns, but Buffalo is home. I love seeing **the sunset over Lake Erie**, the landscape of wine country, the rolling hills of farmland, and the **revitalization of Buffalo**. I can't imagine not being here to see it transform! And who doesn't **love lake effect snow?** ”

We love our weather. We really do. And why not?

In Buffalo Niagara, the ever-changing seasons ensure that there's always something to look forward to, from long and sunny summer days and beautiful evenings — both of which are kept comfortable by cooling breezes off the Great Lakes — to beautiful winter days with fresh snow for downhill and cross-country skiing.

Come Rain or Shine

Whatever the season, dress for the weather and you'll be comfortable while out enjoying the fun and beauty that our wonderful climate provides.

WE LOVE OUR SNOW

SPRING FLOWERS

BEACH DAYS

& SWEATER WEATHER

WINTER

Sometimes it comes late, sometimes early, but when winter comes to Buffalo Niagara, put on your hats, gloves, coats, and boots, and grab your skis, ice skates, sleds, snowmobiles, snowshoes, and ice-fishing gear. If it can be done outside in winter, we'll do it. We love winter in Buffalo Niagara, and you will too.

What's "lake-effect" snow?

In early or late winter, there's little or no ice on the Great Lakes and colder air moves over the comparatively warmer water. The cold air picks up the moisture, which becomes snow, and it usually falls back to land in ski country, exactly where we want it. Sometimes, lake-effect snow is accompanied by lightning and thunder, a phenomenon known as "thundersnow." And like everything about Buffalo Niagara's weather, it's pretty wonderful, too.

SPRING

In spring, it's not long before winter snow gives way to warm sunshine and flowers. People are out and about too — biking, hiking, white-water rafting, fishing, and playing. As the days grow milder and longer, street fairs, outdoor concerts, and farmers' markets begin. Weather varies from cool (even an occasional light snowfall) and rainy, to warm and sunny — sometimes all in the same day. That's spring in Buffalo Niagara.

..... Alyssa Williams — Graphic Designer, Invest Buffalo Niagara

SUMMER

There's no better summer than a Western New York summer. The days are sunny and long and the evenings are captivating — and both are just about always spent outside. The waterways are packed with swimmers, sailors, jet skis, power boats, and kayakers, while the surrounding forests are filled with campers, hikers, and mountain-bikers. Daytime temperatures are in the 80s and evenings are comfortably in the mid-60s, with breathtaking sunsets over the lakes, and an occasional midnight rainfall or thunderstorm that keeps our foliage green and lush.

Buffalo has the sunniest and driest summers of any major city in the Northeast

FALL

After summer's heat, Buffalo Niagara welcomes fall's cooler days and evenings — with daytime temps in the 50s-70s and evenings cooling to the 40s-50s (the secret behind our region's breathtaking foliage and amazing apples). Weekends are spent enjoying harvest celebrations and, because the waterways are still warm, sailing, fishing, and even swimming before the first frosty nights.

Four Seasons of Attractions

Although there are far too many to list, here are some event highlights by season:

WINTER

Labatt Blue Pond Hockey Tournament

Buffalo is home to Labatt Blue USA and, in just a handful of years, this winter favorite has expanded to include teams from all over the country and Canada and is now hosted at RiverWorks, an amazing urban reuse of our historic grain silos as a large-scale sports, entertainment, and craft-brewery complex.

Ski Clubs and Winter Sports

Holiday Valley, Holimont, Kissing Bridge, Buffalo Ski Club, and Peak 'n Peek offer up ideal conditions, affordable ticket prices and endless days and nights of downhill skiing; other areas offer cross-country skiing, snow-shoeing, tubing, sledding, and ice skating.

First Night New Year's Eve Celebration

A favorite way to ring in the New Year, this ball drop and party — complete with fireworks and bands — is free, family-friendly, and always fun.

HARBORCENTER Winterfest

A celebration at and around HARBORCENTER — a sports and entertainment complex in the heart of Buffalo — that attracts thousands for ice skating, ice sculptures, games, carriage rides, and more.

BN

DYNGUS DAY

Historically a Polish-American tradition, Dyngus Day celebrates the end of Lent, the joy of Easter, and spring's arrival. Buffalo is home to the country's largest celebration, which always falls on the Monday after Easter. Put on your polka shoes and get ready for kielbasa, butter lambs, water guns, and pussy willow.

Allentown Art Festival/Allentown West

Every summer, more than half-a-million visitors flock to this multifaceted arts festival that takes place over two days in early June.

Juneteenth Festival

This celebration of Buffalo's African American heritage brings thousands of visitors to MLK, Jr. Park for a weekend of fantastic food, music, crafts, and dance.

Taste of Buffalo One of the largest food festivals of its kind in the country, this is a great way to try signature foods from dozens of local restaurants and food trucks.

Garden Walk Buffalo The largest free public garden walk in the country, this incredible event enables hundreds of thousands of visitors to view hundreds of private gardens throughout the City of Buffalo.

Burmese Water Festival

This beautiful and fun celebration of the Burmese New Year is one of Buffalo Niagara's newest festivals, organized by our region's growing core of Burmese immigrants.

Tonawanda Canal Fest

As the Erie Canal has experienced revitalization, so has this week-long event, which attracts thousands of people.

Erie County Fair The third-largest county fair in America — and one of the longest running — “The Fair” is one of the most popular and fun family-centered events in the region.

Elmwood Festival of the Arts

Showcasing local artists, this much-loved event includes visual and performing arts, porch parties, music, special events, and programs for kids, and much more.

National Buffalo Wing Festival

Every Labor Day weekend, tens of thousands converge on Buffalo to celebrate one of America's favorite bar and game day foods. The festival features 40 tons and 100 varieties of chicken wings.

Harvest Festivals, including Eden Corn Fest & Lewiston Peach Festival

With our region's diverse and plentiful agricultural heritage, there are reasons to celebrate throughout the summer, beginning with June's strawberry festivals.

Artpark A picturesque New York State Park, high atop the Niagara River Gorge, offers a full spectrum of engaging entertainment; from productions of Broadway musicals and Buffalo Philharmonic Orchestra performances in the Mainstage Theater to concerts in the newly renovated Outdoor Amphitheater. Created especially with the family in mind, Artpark also offers art, theater, and rock camps for youth, and a variety of weekend family programs. The park also includes numerous hiking trails, nature sites, fishing docks, and picnic areas.

Arts & Culture

With world-renowned art museums — including the Albright-Knox Art Gallery, Burchfield Penney Art Center, and the Castellani Art Museum at Niagara University — and more than 100 visual and performing arts centers and galleries, it's no wonder that Buffalo Niagara is recognized as an arts and cultural destination. If art's not your thing, give the parties, performances and special events at these venues a try — you'll meet interesting people in amazing places. With more than 20 producing companies, Buffalo's theatrical community is anchored by the magnificent Shea's Performing Arts Center in the heart of downtown's Theatre District. Buffalo is also one of the only cities its size to have a full orchestra, the Buffalo Philharmonic.

While you're out and about, don't miss the Buffalo Zoo, the Museum of Science, and the History Museum. The region is also home to specialty museums like the Kazoo Factory and Museum in Eden and the Herschell Carrousel Factory Museum in North Tonawanda.

RED SIREN IN HARBORCENTER

KATIE AMBROSE

Shop often and well in the diverse, independent and locally owned shops around **1 Elmwood Village**, **2 Hertel Avenue**, and **3 Allentown** in the City of Buffalo. Here you'll find terrific fashion, home décor shops, antiques, toys, bookstores, and more, as well as banks, grocery and hardware stores, post offices. Venture to **4 Downtown Buffalo**, and discover the revival of Main Street, the shops at HARBORCENTER and more. Splurge on jewelry to letterpress greeting cards, and everything in between.

Many towns — including **5 Lewiston**, **6 Williamsville** and **7 East Aurora** — also offer wonderful village centers with outstanding specialty shops, galleries, restaurants, and farmers' markets.

Malls in Western New York attract both local and distant customers (particularly our Canadian neighbors). The **8 Walden Galleria** in Cheektowaga is the largest mall, with more than 200 department stores, specialty shops, and restaurants. The **9 Boulevard Mall**, **10 McKinley Mall**, and **11 Eastern Hills Mall** have many of your anchor stores and are conveniently located within the suburbs. The **12 Fashion Outlets of Niagara Falls USA** is a great place to find deeply discounted merchandise including designer fashions, high-end gifts, shoes, bags, and home goods.

Wining & Dining

Elegant five-star restaurants, eclectic food trucks, and hometown favorites happily coexist in Buffalo Niagara, and new craft breweries and distilleries are found throughout the region. Western New York is also home to numerous vineyards and wineries along both the Niagara Wine Trail and Lake Erie Wine Trail. You'll be amazed by the diversity of products from cider to pinot noir.

Once you've found your favorite chicken wings or as we locals call them — wings (note, Buffalonians NEVER call them "Buffalo wings"), try other regional favorites like beef on weck (thinly sliced roast beef on kimmelweck rolls — caraway seed-and-kosher salt-topped hard rolls) and char-broiled hots (hot dogs grilled over coal). You can then sample the many incredible restaurants that offer foods for every taste. You'll find outstanding ethnic restaurants from Burmese and Ethiopian to Korean and Polish, with a growing number of vegetarian, vegan, and all-organic eateries. We love our Italian food and pizza, and you'll find these restaurants — take-out and sit-down — in just about every neighborhood in Western New York.

As with everything about Buffalo Niagara, the best way to find your new favorites is to get out and try them — most of our restaurants are quite affordable. There are far too many restaurants to list here and new ones are opening nearly every day. To get you started, here are some helpful websites with local restaurant listings and reviews:

TASTY LOCAL TREATS

BEEF ON WECK A roast beef sandwich on a salty kimmelweck roll with horseradish, considered a local delicacy.

CHIAVETTA'S Barbecued chicken, popular at lawn fetes and just about any other outdoor gathering, named for the catering company that provides the barbecue (and their signature vinegar-based marinade).

FISH FRY A breaded or beer-battered fish, traditionally served in most WNY restaurants on Friday, as an alternative to meats and a reflection of the area's strong Catholic heritage.

PIEROGI A Polish dumpling-esque dish traditionally filled with potatoes, cheese, onions, meat, or a mix of these. Can be boiled or fried.

TED'S A local fast food chain that cooks Sahlen's hot dogs and hamburgers over open charcoal grills.

TEXAS HOTS A style of hot dog known for its hot, spicy sauce. Texas hots originated in the kitchens of Buffalo's many Greek restaurants, not in Texas.

WINGS Chicken wings, originally served at Frank and Teresa's Anchor Bar. Often served with carrots, celery sticks, and blue cheese dip.

BLUE Labatt's Blue, Buffalo is the beer company's U.S. headquarters.

LOGANBERRY A sweet, deep purple and un-carbonated fruit drink made from loganberry juice.

TIMMY'S / TIMMY-HO

Shortened name for the regional coffee and donut chain, Tim Horton's. Possibly one of Canada's greatest gifts to America, along with hockey.

POP You may call it soda, but in Western New York, this is the word for any flavored carbonated beverage or soft drink.

PARKS AND GREENWAYS

In 1868, Frederick Law Olmsted — then and now considered America’s preeminent landscape designer — and his partner, Calvert Vaux, created a system of parks and parkways in the City of Buffalo that are deeply loved and enjoyed by thousands of people every day.

Inland Olmsted parks include:

Delaware Park: Delaware Park is the largest in Buffalo’s Olmsted Parks System. It offers a running/biking loop; basketball courts, tennis courts, multiple sport fields for soccer and baseball, an urban 18-hole golf course, Hoyt Lake, walking and biking pathways, and expansive meadows and wooded areas. The park is also home to the Buffalo Zoological Gardens, the Marcy Casino, and Parkside Lodge for parties, and numerous annual events like Shakespeare in the Park — the country’s second largest free outdoor Shakespeare festival that runs for several weeks every summer.

Cazenovia Park: One of two Olmsted parks in South Buffalo, beautiful “Caz” has some of the oldest stands of trees in the City of Buffalo. It offers a golf course, splash pad, indoor pool, running and biking loops, and many green spaces — as well as Cazenovia Creek.

Martin Luther King, Jr. Park: Home to a popular water feature that offers a splash pad during summer months, ice skating in winter, and a reflecting pond in-between. It’s also home to athletic fields, tennis courts, picnic pavilions, and broad green spaces. The Juneteenth Festival is a popular summer event here, and the much-loved Buffalo Museum of Science borders this park.

South Park: Connected to Cazenovia Park, this park is known for its rolling green spaces and winding walking paths, as well as another of our urban golf courses. Originally designed as an arboretum, South Park is known for its broad variety of trees — more than 200 species with more added each year — and it also serves as home to the breathtaking Buffalo & Erie County Botanical Gardens.

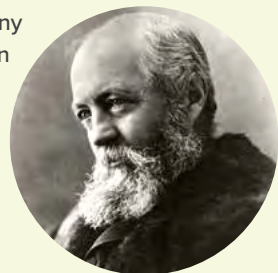

Waterfront Olmsted parks:

Front Park: You’ll find this park just inside the U.S. border from Canada and the Peace Bridge, near the water’s edge. Once the most visited of the Olmsted parks, recent restoration and revitalization of this international gateway has restored many of its gardens and green spaces and is becoming a popular spot for families to relax and play.

Riverside Park: Although this park is more compact than the other Olmsted parks, it’s packed with things to enjoy, from walking paths to ice-skating and swimming. Facing the Niagara River and Canada, it also offers beautiful sunsets and easy access to the waterside section of the Niagara River Greenway Trail — a network of biking/walking/running trails between Buffalo and Niagara Falls.

In addition to the Olmsted System, there are countless neighborhood parks with sports fields, golf, running and biking trails, tennis, and more that also host plays, concerts, and outdoor films, while nearly 100 community gardens brighten city neighborhoods. New York State parks are found throughout the region — notably, Allegany State Park, Niagara Reservation, and Letchworth State Park — and dozens of other New York State and county-maintained recreation areas, beaches, and forests, all available for public enjoyment.

Frederick Law Olmsted (April 26, 1822 – August 28, 1903) was an American landscape architect, journalist, social critic, and public administrator. He is popularly considered to be the father of American landscape architecture. Olmsted was famous for co-designing many well-known urban parks with his senior partner Calvert Vaux, including Prospect Park and Central Park in New York City.

© BUFFALO OLMSTED PARKS CONSERVANCY

Olmsted, believed the purpose of green space was to “refresh and delight the eye and through the eye, mind and spirit.” Upon touring the City of Buffalo in 1868, he convinced the city’s leaders that not one park — as in New York City’s Central Park — but multiple parks would better serve Buffalo’s needs.

WATERFRONTS AND WATERWAYS

Buffalo Niagara's waterways are more than just beautiful — they're a lot of fun, too. The region is surrounded to the west and north by Lake Erie, Lake Ontario, and the Niagara River. Our rural areas are bisected by the Erie Canal, the Genesee River, Chautauqua Lake, and dozens of smaller inland lakes, creeks, and streams.

The most popular public beaches for swimming and sunbathing are Woodlawn (Hamburg), Beaver Island State Park (Grand Island), and Evangola State Park (Evans/Angola). Sailboarders and kayakers flock to the launch site at Gallagher Beach — a cool post-industrial place to spend a sunny afternoon. Boats and paddleboards glide past rejuvenated grain silos and shipyards to the lakes and rivers. Year-round, the region is a haven for fishing and is one of the best spots in the country to catch bass.

Want to be near the water without going in? Enjoy events or just hang out at Canalside in downtown Buffalo or have dinner and drinks at the Wilson Boat Harbor in Niagara County. Niagara Falls, Lewiston, and points in-between offer great venues for hiking, biking, and taking in the majestic scenery along the Niagara Gorge. Take a walk on Bird Island Pier (accessed from the foot of Ferry Park) or picnic at LaSalle Park, where Lake Erie meets the Niagara River. Sail on Chautauqua, Cuba, or Silver Lake or bike along the Erie Canal. Whichever way you like to enjoy the water, you'll find it here.

Niagara Falls

Niagara Falls State Park is home to over 400 acres of lush landscape and wildlife, the beautiful Falls themselves, and many famous attractions. Designed by Frederick Law Olmsted, Niagara Falls State Park offers a breathtaking view of one of nature's marvels as it was intended to be seen.

First discovered in 1678, by French explorer Father Louis Hennepin, Niagara Falls was one of America's first icons, luring explorers, daredevils, and visitors.

World-class attractions such as the Maid of the Mist and Cave of the Winds, offer the eight million visitors each year an opportunity to feel, see, and experience the rush of Niagara's waters. Niagara Falls State Park is the oldest state park in the United States and is open 365 days a year, 24 hours a day.

NIAGARA FALLS, U.S.A. ATTRACTIONS

Cave of the Winds

Go face-to-face with the pounding waters of Niagara Falls and get soaked on the Hurricane Deck just feet from the waters.

Goat Island

Enjoy nature while gaining access to Cave of the Winds, Top of the Falls Restaurant, Three Sisters Islands, Terrapin Point, Luna Island, and the Niagara Rapids.

Maid of the Mist Boat Tour

Experience the world famous scenic boat tour of the American and Canadian Falls.

Niagara Falls State Park Visitors Center

Information Center, ticketing, gift shop, food, and home to the Niagara Adventure Theater. Footpaths lead from the center to every area of the Park and the Niagara Scenic Trolley departs from near the center.

Niagara Scenic Trolley

Take a three mile trolley ride through the park that stops at several locations. A history of the park is provided.

Observation Tower

View both the American and Horseshoe Falls at the same time from the Observation Tower's deck that extends over the Niagara Gorge.

Three Sisters Islands

Walk over three historic bridges that link Goat Island to the Three Sisters Islands to get a unique view of the upper rapids as the water races for the Falls.

Top of the Falls Restaurant

Enjoy American and regional favorites while overlooking the Horseshoe Falls.

Visiting Canada

Enjoy Canada's beaches or visit Toronto, just a 90-mile drive. It's also easy to get to Montreal, Ottawa, and Algonquin Park.

Remember, you're traveling across an international border and proof of citizenship is required. Identification requirements at international border crossings became more stringent with the implementation of the Western Hemisphere Travel Initiative in 2009. Lack of proper identification can cause travel delays or denial of crossing or re-entry.

Acceptable forms of identification include U.S.-issued passports, an enhanced driver's license, enhanced non-driver identification card, or a Nexus card (issued by the Canadian government for U.S. and Canadian citizens). Please note that basic driver's licenses or birth certificates are not considered proper identification for adults at

Canadian Get-Aways

- **Niagara-on-the-Lake**, home to world class theater at the Shaw Festival and is located on Lake Ontario at the mouth of the Niagara River. This picture perfect village is filled with boutiques, restaurants, live theater, gorgeous landscaping, and much more.
- **The Niagara (Ontario) Wine Trail** is where North American ice wines originated — though they're only one kind of many specialty wines available here. The escarpment region is known for producing earthy grapes with robust mineral flavors.
- **Toronto**, Canada's largest city, is beautiful, cosmopolitan, and fun. About 90 minutes from Buffalo Niagara, it makes for a great day or weekend trip anytime.
- **Algonquin Provincial Park** is Canada's first and one of its largest provincial parks and it's a nature-lover's paradise with outstanding hiking, canoeing, and camping.
- **Montreal, Quebec** is Canada's largest bilingual city, with French and English spoken. It's distinctly European in feeling with outstanding boutiques, cafes, and restaurants, and is a wonderful place to visit any time of year.

international crossings. Also, every person in your vehicle must have appropriate identification. This is also the case if you're traveling by bus, airplane, or train to or from Canada. For detailed information on acceptable forms of ID, please visit the U.S. Customs and Border Patrol website at www.cbp.gov.

Other important considerations include purchasing items to bring home (including shopping at the Duty Free shops at the international crossings), as some items may require you to pay duty or may be banned at international crossings (such as some food and plant materials). When asked by the customs officials, it is important to declare any purchases made while visiting.

If bringing pets, please note that they must be properly licensed including proof of vaccinations.

U.S. currency is accepted at most places in Canada, but don't take for granted that it will be accepted where you're going — if possible, check before leaving the U.S. (especially if traveling well away from the border or major Canadian cities). Several of the border crossings have currency exchange booths available.

“ I can’t believe how quickly my first year in Buffalo has gone by. It’s definitely due to the **rigor and excitement** of being a part of 43North, but also the fun to be had throughout the city. Allentown offers a great mix of **restaurants, bars, and cafes** just steps from my front door and only a **10-minute walk from work.**”

Until you live here, you may not realize how close Buffalo Niagara is to several major metropolitan areas.

- In about one hour or so you can fly to New York, Chicago, Boston, Detroit, Baltimore, or Philadelphia
- In about two hours or less you can drive to upstate New York cities like Rochester and Syracuse or to Toronto and Stratford, Ontario and several other destinations in Canada (see “Visiting Canada” on page 67 for more information)
- Want to get away for a night? Pittsburgh, Cleveland, the Berkshire Mountains, the Thousand Islands region, and Vermont, are all within about a five-hour (or less) drive, as are Ontario’s Algonquin Park and the Muskoka region (for gorgeous camping), and Montreal, Quebec (for a taste of Europe just half a day away)

Bicycles

Biking's big in Buffalo Niagara — we're adding miles of bike lanes to city streets and dedicated bike paths each year, from waterfront connections between Buffalo and Niagara Falls, and to the outlying hills with breathtaking trails and scenery. More than 60 miles of trails have been created in the last few years and more are continuously added that follow beautiful scenic areas like the waterfront or create easy access between cities, such as the newly created trails connecting Buffalo and North Tonawanda. The most comprehensive is the popular Niagara River Greenway Trail — a fantastic network of urban, waterfront, naturalized, and suburban paved pathways and trails. www.niagaragreenway.org

BIKE PATHS

Community-based organizations like GObike Buffalo and Buffalo Niagara Riverkeeper, public officials, and private corporations are committed to making Buffalo Niagara a forward-thinking and bike-friendly region. To that end, and with private investment and support, more than 60 miles of dedicated bike trails have been created in the last few years. These paths follow along much of the area's most beautiful scenic areas, like the waterfront, and enable easy access between destinations. The most comprehensive is the popular Niagara River Greenway Trail, featuring miles of urban, waterfront, naturalized, and suburban paved pathways and trails (www.niagaragreenway.org). In addition, many major city roads have dedicated bike lanes to enable easier commutes by bike.

WHAT YOU DO

BUFFALO
RANKED
10TH
HAPPIEST
CITY TO WORK IN

- Forbes, January 2016

DOWNTOWN BUFFALO

Ulla and JP Bak – CEO and President, BAK USA

Originally from Denmark, Scandinavia; moved to Buffalo in 2014.
BAK USA is the first company to produce tablets in the U.S.

“Buffalo Niagara has made out of towners like us **feel at home** in the business community, as well as in our private life within a very short time span. It is indeed a city of **good neighbors.**”

Businesses are opening, relocating and expanding in Buffalo Niagara just about every day, and career and entrepreneurial opportunities are the strongest in 50 years.

Downtown Buffalo is growing at one of the fastest paces in history, with more than \$5 billion in public and private development projects in the last decade with hundreds of millions more proposed, signaling continued growth and unprecedented opportunities for entrepreneurship and employment.

With our well-educated and skilled employees, low cost of living and robust access to both American and Canadian markets (Canada is the leading trade partner for the United States), Buffalo

Niagara is a strong and growing business region. The region's growth during the Great Recession and continued prospects for economic expansion have been recognized by leading business analysts at publications such as Bloomberg Business Week, CNBC, Brookings Institution, Business Facilities, CNN Money, and Business Week.

LEADING BUSINESS SECTORS

Advanced Business Services

A tech-savvy workforce and more than 106,000 miles of fiber optic cable are significant assets for companies in financial, health insurance, and educational-support industries.

Advanced Manufacturing

Advanced manufacturing's growth areas include green technologies, biomedical technologies, advanced automotive parts, advanced plastics and new polymers, and food packagers and processors.

Agribusiness

Agricultural heritage, logistics capabilities, research facilities, and manufacturing strength make our region one of the top food production and agricultural-technology centers in the nation.

Life Sciences

Buffalo Niagara is home to nearly two hundred companies in the medical device, therapeutics, and related sectors and is positioned within a growing biomedical industry cluster between Toronto, Cleveland, and Albany with healthcare technology, research, and healthcare centers.

Green Technology & Products

Companies from across the country and around the world are relocating or expanding here thanks to abundant renewable resources — including solar, wind, and waterpower — and support for ancillary businesses.

Higher Education

With nearly two dozen colleges and universities including major research and specialty centers, Buffalo Niagara's higher education institutions are vital to the economic vitality and intellectual culture of our region.

Arts, Culture & Tourism

As the region's economic renaissance continues, the area has been rediscovered as a destination for tourism and culture. A growing number of national and international business, sport and recreational organizations host annual conventions and conferences here and along with support businesses like restaurants, hotels, and retail, this segment has emerged as a significant employer and economic driver.

Starting a Business Here

Entrepreneurial support is plentiful through business-funding competitions and through local and statewide incentive programs. There are also several small business development centers, mentoring programs, and more available to help brand-new startups or expanding operations. With their assistance, you'll be sure to get your business started off right and ensure you're in compliance with local, county, and state licensing and regulatory requirements.

Find the information you need for your particular field from your city or town's municipal offices; your county's business development agency or office; the Small Business Development Center (SBDC) or Senior Corps of Retired Executives (SCORE); and local Chambers of Commerce.
